RE: LG&E Petition for Confidential Protection
Case No. 2005-00352

Dear Mr. Riggs:

The Commission has received your petition filed November 2, 2005, to protect as confidential certain information contained in LG&E's response to the Initial Data Request of Kentucky Industrial Utility Customers. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
Executive Director
