RE: Case No. 2005-00357
Status Request

Dear Ms. Cocanougher:

The Commission entered the enclosed Final Order in this case on October 14, 2005. It was ordered that "KU shall, within 30 days from the date of issuance, file with the Commission a statement setting forth the date or dates of issuance of the securities authorized herein, the interest rate or rates, and all fees and expenses, including underwriting discounts or commissions, or other compensation, involved in the issuance and distribution thereof. In addition, KU shall include a detailed explanation as to how the interest rate alternative chosen represents the most reasonable interest rate available at the time of issuance. The explanation shall include a description of the specific interest rate management techniques and interest rate management agreements used by KU for each issuance, as well as copies of any executed interest rate management agreements. If a variable rate is chosen, KU shall file a detailed description of the criteria to be periodically applied in determining whether the variable rate should be converted to a fixed rate."

To date, this information has not been received. This letter is to request a status on the information requested in said Order. We would appreciate receiving a response to this letter within 15 days. Please mail this response to Michael F. Burford, Director of Filings Division, Public Service Commission, 211 Sower Blvd., Post Office Box 615, Frankfort, Kentucky 40602.
