Dear Ms. O'Donnell:

We request a waiver of the 30 day notice requirement for the Price Gas Adjustment filing, and ask that the rates will be allowed to go into effect in 20 days from the date of record in your office, or October 1, 2005. This filing request is being made due to the fact that implementing a rate increase on any day other than the first of the month would make the billing process more difficult. Thank you for your consideration of this matter.

If you have any further questions, please feel free to contact me at the above address or telephone number.

Sincerely,

Stephen G. Jenkins
