Enclosure

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE ANNUAL COST RECOVERY FILING FOR)	
DEMAND SIDE MANAGEMENT BY THE UNION)	CASE NO.
LIGHT, HEAT AND POWER COMPANY)	2005-00402

O R D E R

On April 4, 2006, the Commission issued an Order in this matter approving revised demand-side management tariff riders for The Union Light, Heat and Power Company. The first sentence of the second paragraph on page 3 of the Order included an incorrect amount for the tariff rider for residential electric customers. Two digits were transposed resulting in the rider stated as \$0.00180 per kWh when it should have been \$0.00108 per kWh. In all other respects, the April 4, 2006 Order is correct.

The Commission THEREFORE ORDERS, nunc pro tunc, that the first sentence in the second paragraph on page 3 of the April 4, 2006 Order should be restated to read as follows:

The revised tariff riders included DSM charges of \$0.141952 per Mcf for residential gas customers, \$0.00108 per kWh for residential electric customers and \$0.000012 per kWh for non-residential distribution level electric customers.

Done at Frankfort, Kentucky, this 12th day of April, 2006.

By the Commission
