RE: Formal Application for a Purchased Water Adjustment

Dear Ms. O'Donnell:

Case No. 2005-00413

Enclosed is an original and 10 copies of an application for a purchased water rate adjustment for Monroe County Water District. The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rates. A copy of the supplier's notice of the changed rate showing the effective date of the increase is attached.

The district will publish the enclosed public notice of these requested rate revisions in the local newspaper. In accordance with PSC rules and regulations, the notice will be published before the new bills are issued and will be published one time. A copy of the newspaper notice and an affidavit verifying publication will be forwarded to you upon publication.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

Sincerely,

Richard A. Ross

Revised tariff sheets must be attached showing the rate to be charged by the utility and the effective date of the increased rates.
