This letter is concerning the Cell Tower
your Company wants to build on the
property of Violet Dyer at 110 Reid Mill Rd.

I have no objections to this being done.
I live at 365 Reid Mill and don't
feel this tower will lower the value
of my property, or be a health hazard.

As for the road Marion Sheppard
objects to. that was there before he
built his house at 54 Reid Mill Rd.
