Case 2005-00445

Dear Mr. and Ms. Dick:

We have received your letter concerning the proposal by Bluegrass Wireless LLC (Cumberland Wireless) to construct a cellular telephone tower in your vicinity.

As of this date, Bluegrass Wireless has not filed an application with the Kentucky Public Service Commission for this facility. Therefore, this matter is not yet pending before the PSC.

Once an application has been filed, interested parties who wish to become formal participants in the case may request that the PSC grant them status as intervenors.

Until such time as this matter becomes a case before the PSC, we will keep your letter on file. When an application is filed, your letter will be placed into the case files and become part of the record that the PSC will consider as it reaches a decision in this matter.

Thank you for your interest.

Sincerely yours,

Beth O'Donnell
Executive Director
