PSC Case No.: 2005-00455

Sir/Madam:

The Public Service Commission has received AT&T Kentucky's Petition for confidential treatment requesting to protect as confidential certain information contained in the Rebuttal Testimony of Elizabeth Moreland and Exhibits C and D of Moreland Exhibit EMM-7. This information is described as consisting of personal information or specific to AT&T's end users in the conduct of business.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, AT&T Kentucky is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

  
Stephanie Stumbo,
