In the Matter of:

Application of Christian County)
Water District for Deviation from) Case No. 2005-00460
Purchased Water Refund Regulation)

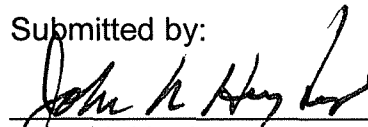

Motion for Extension of Time

Christian County Water District, by counsel, moves for an extension of time to file its proposed PWA refund plan as allowed by the Commission's Order of March 29, 2006.

That Order directed the District to refund the PWA funds within 20 days. However, the Order notes that 807 KAR 5:068 §2(4)(c) allows for a deviation from the standard refund procedure. The District has developed a proposed plan to refund the total PWA adjustment consistent with the regulation. That plan has been submitted to the Board for approval, but its next regularly scheduled meeting is not until May 5. If possible a special meeting will be held prior to that date, however, approval of the plan cannot be obtained by the Commission's deadline of April 18th.

For these reasons, the District requests an extension to May 10, 2006 to submit the proposed refund plan pursuant to 807 KAR 5:068.
