Mr. Boss,

I'm writing this letter to the effect of Mr. Terry Neal, Chair of Western Fleming Water. I feel that there is an injustice being done for the removal of this position. I've been a board member for Western Fleming Water for nine years and I have never known Mr. Neal to be anything but honest and fair in his decision making as a chairperson. I think his removal from the Western Fleming Board would cause a lot more problems in this small community than it would eliminate. Thank you for your consideration and taking the time to review this matter.

Thank you very much,
Billy W. McIntyre
