RE: Western Fleming Water District Board

Case No. 2005-00462

Dear Director Donnell:

Due to a term expiration of one of the members serving on the Western Fleming Water District Board, the County Judge Executive must make a recommendation to fill the vacancy with the approval of the fiscal court.

My recommendation was rejected by the fiscal court due to lack of a majority vote.

As I understand, by Kentucky Revised Statute, after ninety days with no one appointed, it reverts to the Public Service Commissioner to make this decision.

This letter is to inform you that this matter should be addressed as soon as possible and ask you to consider my recommendation of Mr. Larry Ingram to the Western Fleming Water District Board.

Mr. Ingram is a life long resident of Fleming County, a very trusted leader in his community, heavily involved and dedicated to his community and church as well as being a devoted family man. I assure you he would be a tremendous asset to this board.

Please contact me regarding this matter at your earliest convenience at which time I will be happy to furnish you with any additional information you may require.

Thank you in advance and I look forward to hearing from you soon.

Sincerely,

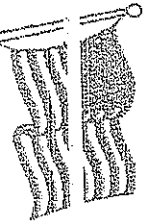

Larry H. Foxworthy
Fleming Co. Judge Executive
