Subject: Case Nos. 2005-00467 and 2005-00472

Dear Ms. Harrison:

This letter is in response to your letter of December 29, 2005, addressed to the Public Service Commission's Executive Director. You have referred to plans by Kentucky Utilities Company (KU) to build a transmission line in the Vine Grove area. KU's application regarding this line is docketed at the Commission as Case Nos. 2005-00467 and 2005-00472.

You make two requests in your letter: (1) "formal notification from KU" and (2) "a public hearing to be conducted on this matter." With regard to the second request, the Commission will be scheduling a public hearing in these cases, most likely in Elizabethtown, either very late this month or early next month. Your local newspapers will carry a notice of the details.

As to your first request, I suggest you contact KU directly regarding the formal notice. From the application filed in these cases, I believe the appropriate person to call is Jeff Kuriger at 502-627-4522.

Thank you for your interest. Your letter has been placed in the official files of the cases. If you have further questions, please feel free to contact me.

Sincerely,

A. W. Turner, Jr.
