SouthEast Telephone, Inc., Complainant v. BellSouth
Telecommunications, Inc., Defendant
PSC 2005-00533

Dear Ms. Bowersock:

Enclosed please find the proprietary information BellSouth provided by letter dated December 2, 2005, to the Commission in PSC case number 2005-00519. SouthEast Telephone, Inc. ("SouthEast") noted in its January 9, 2006 Response to BellSouth's January 3, 2005 Motion to treat this information as confidential, that BellSouth had not provided the confidential information to SouthEast. SouthEast's Response concurred that this information should be treated as proprietary as the information is both commercially valuable and Customer Proprietary Network Information. Of course, BellSouth has no objection to providing this information to SouthEast.

Very truly yours,

Dorothy J. Chambers
