Re: Case No. 2005-00535  
As-Built Drawings and Certified Statement

Dear Mr. McDowell:

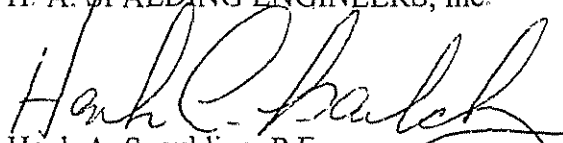

Attached herewith is a copy of the As-Built Drawings for the referenced Case No. Also, I hereby affirm that the project was constructed in substantial conformance with the approved plans and specifications.

Shortly, the Levee Road Water Association will furnish to you total project costs, with construction cost classified in accordance with the Uniform System of Accounts for Water Utilities prescribed by the Commission. I would forward this today but small additional items are currently being purchased utilizing Grant Funds (new computer, etc.) and final bill is not in-hand.

Please let me know if I can provide additional information.

Sincerely,

H. A. SPALDING ENGINEERS, Inc.
