RE: Kentucky Power Company d/b/a American Electric Power
Case No. 2006-00006
Motion for Confidential Treatment

Dear Mr. Overstreet:

The Commission has received the motion filed January 23, 2006, on behalf of Kentucky Power Company to protect as confidential Kentucky Power's responses to Staff's Information Requests 6, 7, 8 and 9. A review of the information has determined that the responses to Requests 6 and 7 are entitled to the protection requested on the grounds relied upon in the motion, and they will be withheld from public inspection. However, responses to Requests 8 and 9 do not meet the criteria for confidentiality. Therefore, that portion of your petition is denied.

The information denied confidentiality shall be withheld from public inspection for 20 days from the date of this letter to allow you to seek any further remedy available to you.

If the information granted confidentiality becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
Executive Director
