Re: Case No. 2006-00024
Non-Recurring Electric Rates

Dear Mr. Finnigan:

On February 3, 2006, The Union Light, Heat and Power Company ("ULH&P") tendered for filing an application to increase its non-recurring electric rates for reconnection of service to electric-only customers and to combined electric and gas customers.

With respect to the proposed increase to combined electric and gas customers, the Commission has already approved the proposed non-recurring rate of \$38 by Order dated December 22, 2005 in Case No. 2005-00042, *Application of The Union Light, Heat and Power Company For an Adjustment of Gas Rates*. Consequently, no further approval is needed. ULH&P may implement that rate by filing a revised electric tariff which reflects that it was issued pursuant to the authority of the December 22, 2005 Order in Case No. 2005-00042.

Sincerely,

Beth O'Donnell
Executive Director
