RE: Case No. 2006-00024

Dear Ms. O'Donnell:

On February 3, 2006, The Union Light, Heat and Power Company (ULH&P) filed for an adjustment in its electric Reconnection Charge. On February 8, the Commission sent a deficiency letter to ULH&P noting that the Company had failed to include the cost justification for the proposed change as required for non-recurring charge filings in 807 KAR 5:011:Section 10(1)(a).

In response, ULH&P hereby submits for filing an original and twelve (12) copies of ULH&P's cost justification for its electric Reconnection Charge increase. In addition, this filing includes ULH&P's electric Reconnection Charge tariff sheet with an effective date of April 6, 2006 which is 45 days from the filing date of this document.

Please receipt-stamp the two (2) extra copies and return for our files. If you should have any questions regarding this filing, please do not hesitate to call me at (513) 287-2443. Thanks you.

Very truly yours,

Donald J. Rottinghaus
