O R D E R

This case was instituted by the Commission to consider certain provisions of the Energy Policy Act of 2005. The hearing is set for July 18, 2006, and the Commission understands that only three witnesses will be subject to cross-examination. Initially the Commission will hear any public comments. Then, to give parties the opportunity to state their positions on the record, the Commission will allow one attorney for each party to summarize briefly, in two to three minutes, that party's position as reflected in its witnesses' testimony. Cross-examination of the three witnesses will follow.

IT IS THEREFORE ORDERED that the procedure detailed in this Order shall be followed at the July 18, 2006 hearing.

Done at Frankfort, Kentucky, this 14th day of July, 2006.
