**RE: 2006-00089 – Cinergy Communications Company's Request for Approval
of its Supplemental ETC Application**

Dear Ms. O'Donnell:

Cinergy Communications Company ("CCC") filed the referenced application on February 28, 2006. There were no Commission data requests and CCC has responded to the data requests of the single intervenor, South Central Rural Telephone ("SCRT"). SCRT has recently withdrawn its hearing request and this matter appears to be ripe for a decision.

CCC demonstrated in its Supplemental Petition that it satisfies all the Commission's established criteria for ETC designation, with respect to the entire Kentucky service areas of both Windstream Kentucky, East (formerly Kentucky ALLTEL, Inc.) and SCRT. CCC also has demonstrated that ETC designation would further the public interest. With the record in this proceeding now complete (as of June 2, 2006) CCC respectfully requests that the Commission promptly grant the Supplemental Application.

Please accept the original and return one stamped copy of this letter in the enclosed envelope.

Very truly yours,

STOLL KEENON OGDEN PLLC
