PUBLIC SERVICE  
COMMISSION

Dear Sir:

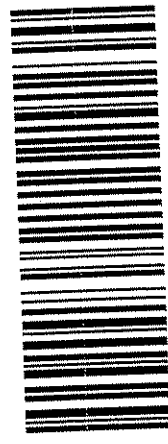

Please refer to Docket No. 2006-00107. On behalf of the Wheatley Family which has contiguous property to the applicant, we wish to register our objection to the location of this tower at this time. We have not determined the impact this tower will have on the aesthetic value of our properties nor the physical medical ramifications. I feel it is appropriate for our families to know much more than what has been provided. Please register our objection at this time and we will wait for additional communication from Shared Sites, LLC and American Cellular Corporation. To this date they have not responded to our telephone calls. Please keep us informed of any proposed meetings or hearings regarding such matters.

Sincerely,

  
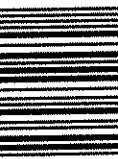

Mark A. Wheatley
