RE: Public Notice-KY Service Commission  
Docket #2006-0018

To whom it may concern:

This letter is in response to a letter I received from David Jantzi who is a consultant for Shared Towers KY, LLC. There is not enough information available at this time for us to intervene in this matter. However, if at some time in the future it becomes evident that this proposed facility is causing health problem or results in a devaluation of our property, we want to reserve the right to seek compensation from any or all of the parties involved.

Sincerely
