Case No. 2006-00122

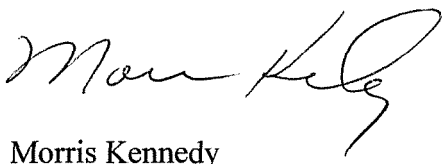

Dear Ms. O'Donnell:

Enclosed for filing in the referenced Case, please find the "Responses of Interstate Natural Gas Company to Data Requests of Commission Staff and Petition for Confidential Treatment of Responses". As required by regulation, one copy of the material for which confidential treatment is requested is attached to the Responses/Petition. This confidential data is all data appearing in Exhibits "A", "B" and "C" attached to the Responses/Petition. A statement to that effect is contained on the cover sheet to each Exhibit, and that statement is highlighted in blue transparent ink. Ten (10) additional copies of the Responses/Petition are also enclosed, but with only the cover sheets to the Exhibits attached thereto.

Under separate cover, Interstate is also filing with the Commission this date an original and six (6) copies of its Responses/Petition, also with only the cover sheets to Exhibits "A", "B" and "C" appearing. It is also noted in this separate filing that confidential treatment has been requested for the information contained in the Exhibits, and the data for which confidential treatment is sought has not been included.

Should you require anything further in this regard, please do not hesitate to contact me.

Sincerely,

Morris Kennedy

GAS COMPANY

CASE NO. 2006-00122

RESPONSES OF INTERSTATE NATURAL GAS COMPANY
TO
DATA REQUESTS OF COMMISSION STAFF

AND

PETITION FOR CONFIDENTIAL TREATMENT OF RESPONSES

Responses to Data Request

On October 24, 2006, a telephonic conference was held in this proceeding between Commission Staff ("Staff") and representatives of Interstate Natural Gas Company ("Interstate"). During this conference Staff requested that Interstate provide for the record a representative copy of a recent long-term gas sale contract and a representative copy of a one-month gas sale contract. In response to these requests, Interstate files herewith the following:

Exhibit "A", a "Transaction Confirmation" for a one-year contract;

Exhibit "B", a "Transaction Confirmation" for a one-month contract;

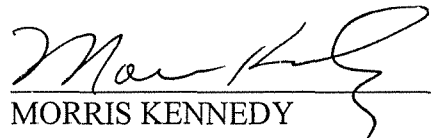

Exhibit "C", a "Base Contract for Sale and Purchase of Natural Gas", the terms of which apply to both Exhibits "A" and "B".

Petition for Confidential Treatment of Data Request Responses

Interstate, pursuant to this Commission's regulations as set forth in 807 KAR 5:001, Section 7, requests confidential treatment of all of information submitted in this response which is contained in Exhibits "A", "B" and "C", attached hereto. In support of this request, Interstate relies upon the same grounds as set forth in detail in its "Petition of Interstate Natural Gas

Company for Confidential Treatment of Data Request Responses” filed in this proceeding in response to the “Second Data Request of Commission Staff to Interstate Natural Gas Company”. Interstate incorporates by reference said grounds into this Petition, and requests that all information contained in Exhibits “A”, “B” and “C” attached hereto be exempt from inspection pursuant to KRS 61.870, *et seq.*

Respectfully submitted, this 6th day of November, 2006.
