**MOTION REQUESTING THAT APPLICATION**  
**BE HELD IN ABEYANCE**

On February 21, 2007, the undersigned received a telephone call from Commission Attorney J. R. Goff regarding the District's failure to comply with Commission Order dated November 16, 2006. That Order specifies that the District would reply to the Commission's Second Data Request on or before January 31, 2007.

On January 29, 2007, the undersigned submitted a Notice to the Public Service Commission requesting that the Application be held in abeyance. Mr. Goff indicates this Notice has not been docketed. Accordingly, the undersigned hereby resubmits the following Motion:

Comes Hardin County Water District No. 1 ("HCWD1"), by counsel, and hereby requests the above-referenced Application for Deviation be held in abeyance. The District feels that there may be alternate ways to address the issues of water main extension. The District wishes to hold its Application in abeyance while it evaluates the most cost effective solution to the issue of water main extension. According, the District requests that the attached Order be entered.
