RE: Case no. 2006-00212

We the Robert Young family ^{are} requesting a rehearing regarding this matter with South Eastern Water Assoc. of Somerset, Ky. Due to the fact of their accusation of us having a water leak on our side of the water meter of which we did not have!

The day this was reported to us we had Mr Jack noe, Daniel Bailey and Ms. Victoria Young Hask to check all water lines and the meter. They could not find a leak! we keep the outside spicket locked, so as to keep any intruder from getting

(2)

our water and running up a hill!
This bill of \$265⁰⁰ + 27⁰⁰ fee for
40,900 gals of water usage is wrong!
The most usage when all the family
was there in the summer was 6,300
a \$39⁰⁰ bill! Our family had just
left on the Sunday before we got a
call on Monday from the water
Company. We always check everything
before we leave! Also Mr Jack
Doe and Mr Bailey our next door
neighbor keeps close watch on our
property! we want this bill erased
from our account!

We disagree with the Public
Service Commission's decision! It
isn't right either! As ~~they~~ you gave
us and South Eastern Water Assoc.
10 days to file the papers! We did
as requested per you and South Eastern
took 4 weeks plus to file yours July,
theirs. Robert Young
