FIRST DATA REQUEST OF COMMISSION STAFF TO
KENTUCKY UTILITIES COMPANY

Pursuant to 807 KAR 5:001, Kentucky Utilities Company ("KU") is requested to file with the Commission the original and 8 copies of the following information, with a copy to all parties of record. The information requested herein is due within 10 days of the date of this request. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the person who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. Where information herein has been previously provided, in the format requested herein, reference may be made to the specific location of said information in responding to this information request.

1. Pursuant to KRS 278.017(3)(a), describe with specificity the proximity of your existing distribution lines to the proposed site of the Wal-Mart SuperCenter that is

the subject of this case. To the extent not already provided by you in this case, provide all relevant supporting materials and documents to include aerial photographs, maps, etc.

2. Pursuant to KRS 278.017(3)(b), state the date that KU was first furnishing service to this customer and/or in this area, and the age of KU's facilities in this area.

3. Pursuant to KRS 278.017(3)(c), describe with specificity:

a. The adequacy and dependability of KU's existing distribution lines, which will actually serve this area and/or customer, to provide dependable, high quality retail electric service.

b. The reasons that KU believes that its facilities in this area are better equipped to provide dependable, high quality retail electric service to this customer. Include a comparison between its facilities and those of Blue Grass Energy Cooperative Corporation ("Blue Grass").

c. Provide a comparison of the costs, including installation and rates, between KU and Blue Grass, which are required to provide dependable, high quality retail electric service to this customer.

4. Pursuant to KRS 278.017(3)(d), describe with specificity the reasons that KU contends that KU's service to this customer will more likely result in the elimination and prevention of duplication of electric lines and facilities supplying this territory.

5. Describe the reasons that KU does or does not assert that this customer represents a "new electric consuming facility," and the reasons that this characterization is or is not relevant herein.

6. To the best of your knowledge and belief, provide the date-certain that the customer will need additional service at the proposed Wal-Mart SuperCenter.
