### Parties and Counsel:

As the Commission expects nearly 50 final interconnection agreements to be filed in the upcoming weeks, this letter will set forth the guidelines for submission to ensure that all of the agreements are properly received and reviewed by the Commission.

The Parties shall submit one original hard copy of each final interconnection agreement and shall denote, by cover letter, the specific case file number under which that agreement should be filed. The original hard copy will be placed in the Commission's main file.

The Parties shall submit the electronic versions of all of the final interconnection agreements in a searchable PDF format on CD-ROM. The Parties shall submit five copies of the CD-ROM to the Commission. By cover letter, the Parties shall list the name of each interconnection agreement and the corresponding case number for each agreement provided on the CD-ROM.

Should you have any questions on this matter, you may contact Commission Staff members Tiffany Bowman at (502) 564-3940, ext. 465, or Jim Stevens at (502) 564-3940, ext. 238.

Sincerely,

Jeff R. Derbuen
