O R D E R

On October 6, 2006, American Cellular Corporation ("ACC") filed a request for dismissal from the arbitration proceedings of Ballard Rural Telephone Cooperative Corporation, Inc.; Logan Telephone Cooperative, Inc.; North Central Cooperative Corporation, and West Kentucky Rural Telephone Cooperative Corporation, Inc. (collectively "Petitioners"). In support of its request, ACC asserts that it does not currently send any mobile-originated traffic to any of the Petitioners, directly or through BellSouth Telecommunications, Inc. or any other third-party tandem transit service provider. Instead, ACC exchanges all mobile-originated traffic through long-distance carriers. Moreover, ACC contends that it does not provide wireless coverage in the local exchange areas of any of the Petitioners and, indeed, has no licenses to provide such coverage.

ACC does not need an interconnection agreement with any of the Petitioners at this time but asserts that, should it seek interconnection in the future, it will make its request pursuant to 47 U.S.C. § 251.

By letter, on October 6, 2006, the Petitioners advised the Commission that they do not oppose the dismissal of ACC from these named arbitration proceedings.

IT IS HEREBY ORDERED that ACC is dismissed as a party from these proceedings.

Done at Frankfort, Kentucky, this 10th day of October, 2006.

By the Commission
