Dear Ms. O'Donnell:

Counsel for the rural local exchange carrier ("RLEC") petitioners in the above-referenced cases has reviewed the September 14, 2006 intra-agency memorandum, and the RLEC's have no substantive comments to make. Notwithstanding this, counsel does note that the intra-agency memorandum appears to misstate the date upon which the RLEC's agreed to submit an updated issues matrix; the correct due date was agreed to be Friday, September 22 (not September 20), 2006, which is, as the memorandum notes, the same day that responses to the second data requests are due.

Thank you, and if you have any questions, please call us.

Sincerely,

Edward T. Depp
