Case No.2006-00296

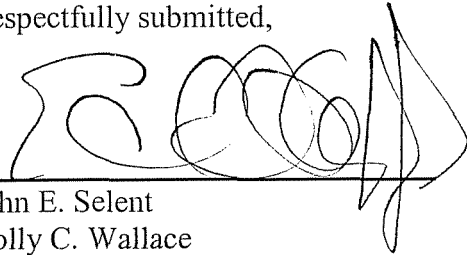

MOTION FOR EXTENSION OF TIME

Petitioner Mountain Rural Telephone Cooperative Corporation, Inc. ("Mountain") hereby moves the Public Service Commission of the Commonwealth of Kentucky (the "Commission") to extend by one week the parties' respective deadlines to file evidence supporting the appropriate interMTA traffic factors to be incorporated into their respective interconnection agreements. In support of its motion, Mountain states that it has been actively involved with T-Mobile and Verizon Wireless in negotiating a resolution to this issue, and an additional week will provide the parties with sufficient time to explore whether this issue can be resolved without Commission intervention. T-Mobile and Verizon Wireless have indicated to counsel that they do not oppose this motion.

Accordingly, Mountain moves the Commission to permit the parties to file their evidence supporting an appropriate interMTA traffic factor by the following dates.

Mountain: File by Monday, March 5, 2007.
Verizon Wireless: File by Wednesday, April 4, 2007.
T-Mobile: File by Wednesday, April 4, 2007.

Respectfully submitted,
