Case No. 2006-00336

Re: Formal Application to Revise Certain Non-Recurring Charges

Dear Ms. O'Donnell:

This is an application to revise certain non-recurring charges for the Bronston Water Association, Inc. Attached is the non-recurring charge cost justification and the proposed tariff sheet.

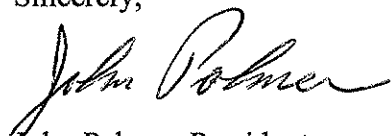

Bronston Water Association, Inc. is not requesting a water rate increase at this time. However, increased costs attributable to certain non-recurring charges can no longer be absorbed by the Association. The customers affected by these increases will be the customers that cause the Association to incur these additional expenses. Additional revenue to be generated will not exceed 5% of the total revenue provided by all miscellaneous and non-recurring charges for the past 12 months.

The Association has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

The Association will publish the enclosed public notices of these requested rate revisions in the local newspaper for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General, State Capitol Building, Suite 118, Frankfort, Kentucky 40601.

Sincerely,

John Palmer, President
