RE: Administrative Case No. 2006-00357

Dear Ms. O'Donnell:

This letter is filed in connection with the filing of the customer education plan that was mailed to the Commission on October 31, 2007, for filing on November 1, 2007, in this case. There is a typographical error in the first paragraph of the letter with respect to the new area code. The new area code is "364" and not "354" as indicated in the letter.

We regret any inconvenience this may have caused the Commission and the Staff. The original and ten (10) copies of this letter are enclosed for filing. Thank you for your assistance in this matter. Please contact me if there are any questions.

Sincerely,

Mary K. Keyer
