PETITION FOR CONFIDENTIAL TREATMENT OF
RESPONSE TO DATA REQUEST

Pursuant to 807 KAR 5:001 Section 7 **KENERGY CORP.** ("Kenergy") respectfully petitions the Commission to classify and protect as confidential the information relating to salaries and other compensation of executive officers set forth in Kenergy's response to Item 29 of the First Data Request of Commission Staff.

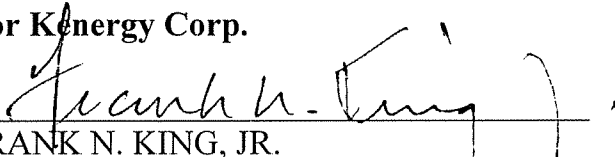

As grounds, petitioner states that information of this nature is exempt from disclosure under KRS 61.878(1)(a) which protects information of a personal nature where the public disclosure would constitute a clearly warranted invasion of personal privacy. The information sought to be protected as confidential obviously is of a personal nature and public disclosure would constitute an invasion of personal privacy. This information is not known outside of Kenergy and is available within Kenergy only a need to know basis. The Commission ordered confidential treatment of similar information on petition of

Kenergy in Case No. 2004-00446, and consistent therewith the Commission should classify and protect as confidential the information relating to salaries and other compensation of executive officers set forth in Kenergy's said response.

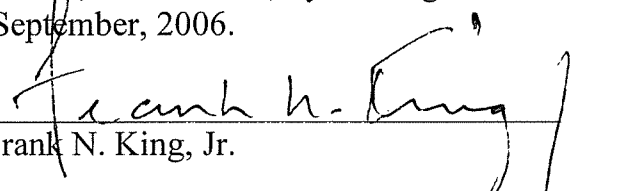

In accordance with 807 KAR 5:001 Section 7(2)(b), filed herewith are one copy of the response with the confidential information highlighted and 10 copies with the confidential information obscured, same being contained in a separate sealed envelope marked "Confidentiality Requested."

WHEREFORE, petitioner respectfully requests that it be afforded confidential treatment as stated above and that it be afforded all proper relief.
