In the Matter of:

THE APPLICATION OF WEST DAVIESS        )  
COUNTY WATER DISTRICT TO INCREASE    )  
CERTAIN NON-RECURRING CHARGES        )        CASE NO. 2006-00380

O R D E R

On August 14, 2006, West Daviess County Water District ("West Daviess") applied for authority to increase certain non-recurring charges. A review of the application revealed that it did not meet the minimum filing requirements and a notice of the filing deficiency was issued. West Daviess subsequently submitted the filing deficiency on August 28, 2006. The Commission determined that the information West Daviess filed on August 28, 2006 satisfied the minimum filing requirements and the application was accepted for filing as of August 28, 2006. West Daviess has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.
2. The charges and policies set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix are approved for services rendered on and after the date of this Order.

2. The proposed tariff sheets filed by West Daviess are approved as filed.

Done at Frankfort, Kentucky, this 25th day of September, 2006.
