This matter concerns a billing dispute between John McKeehan and Louisville Gas and Electric Company ("LG&E"). On January 30, 2007, the Commission issued an Order stating that Mr. McKeehan and LG&E were given 20 days to negotiate settlement in this matter and notify the Commission, in writing, if settlement had been reached. On February 19, 2007, the Commission received written notice from LG&E stating that the parties had reached an agreement, in principle. LG&E also stated that Mr. McKeehan had agreed to notify the Commission that his complaint had been resolved and that he would request dismissal of his complaint from the Commission's docket. As of the date of this Order, the Commission has not received notification from Mr. McKeehan.

The Commission finds that Mr. McKeehan should be afforded the opportunity to respond to LG&E's notice of settlement and inform the Commission of his position as to

the resolution of this matter. If no response is received, the Commission finds that this matter should be closed and removed from the Commission's docket.

IT IS THEREFORE ORDERED that:

1. Within 10 days of the date of this Order, Mr. McKeehan shall notify the Commission in writing whether or not his complaint with LG&E has been settled.
2. If no response is received from Mr. McKeehan within 10 days from the date of this Order, the matter shall be closed and removed from the Commission's docket.

Done at Frankfort, Kentucky, this 14<sup>th</sup> day of March, 2007.
