Re: Kentucky Utilities Company - Report of Certain Material Changes Case No. 2006-00390

Dear Ms. Stumbo:

Pursuant to the Commission's Order, dated January 22, 2007, in the aforementioned case, Kentucky Utilities Company ("KU") hereby files a report of material changes that KU would have had to disclose to the Securities and Exchange Commission ("SEC") on a Form 8-K if the company had continued to have publicly held secured debt.

In compliance with this Commission order, KU is submitting this letter as its report. With respect to July 2008, KU believes it would have filed a Form 8-K for the following events:

- KU's entering into a new loan with Fidelia Corporation, an affiliated company. The new loan, in the amount of \$50 million, matures in July 2018 and carries an interest rate of 6.16%.
- KU's announcement of its intention to file an application for increase in base electric rates and the subsequent submission of such application.

Should you have any questions in this regard, please do not hesitate to contact me.

Sincerely,

Lonnie E. Bellar

EBelle
