RE: Case No. 2006-00420  
Coles Campground Project No. WX21035012

Dear Ms. O'Donnell:

This letter is to request a deviation from the requirement of a financial statement dated within 90 days of application for a certificate of necessity in the above-referenced action. In support of this request, be advised that there have been no substantial changes with regard to the financial status of the Dexter-Almo Heights Water District since December 31, 2005. Furthermore, the preparation of additional documents regarding financial status would impose unnecessary financial burden upon the District.

Sincerely,

A handwritten signature in cursive script that reads "C. Mark Blankenship".
