RE: Case No. 2006-00434  
Bluegrass Cellular

Dear Ms. O'Donnell:

In response to your letter dated Dec 27, 2006, in regards to my letter dated Sept. 27, 2006. Please find copies of letter from Kerry Ingle, Paralegal which says the correct address for the location of this tower is 309 Damron Creek Spur Road, Russell Springs, Ky. I would appreciate if you would send me a new map showing me exactly where this tower is going to be built. The different addresses and sorry for inconviences doesn't seem to be getting it.

Also, I have asked Trey Grayson, Secretary of State what information he has on Cumberland Cellular Partnership and he sent me the following. Note the filing date 2-11-1992 and Expiration date 7-15-2003. Now I have ask you several times who are these people and you have never given me a name or signature. It's like these partnerships have no names, like they don't exist.

Another thing, I am not online and don't want to go through all the extra expense for getting on line, so therefore I am requesting from you all the information you have and all correspondence regarding this Case No. 2006-00434 Bluegrass Cellular.

Awaiting your reply, I remain.

Yours truly,
