RE: The Application of East Kentucky Power Cooperative, Inc. for a  
Certificate of Public Convenience and Necessity for the construction  
Of a 345 kV Electric Transmission Project in Clark, Madison, and Garrard  
Counties, Kentucky. PSC Case No. 2006-00463

Dear Ms. O'Donnell:

Enclosed please find an original and ten (10) complete paper copies of EKPC's  
Amendment to Application in the above referenced case.

Should you have any questions, please feel free to contact me. Thank you for your  
assistance.

Very truly yours,

Sherman Goodpaster III  
Senior Corporate Counsel

COMMONWEALTH OF KENTUCKY

RECEIVED

BEFORE THE PUBLIC SERVICE COMMISSION

AUG 15 2007

PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF EAST KENTUCKY POWER	)
COOPERATIVE, INC. FOR A CERTIFICATE OF	)
PUBLIC CONVENIENCE AND NECESSITY FOR	)
THE CONSTRUCTION OF A 345 kV ELECTRIC	)
TRANSMISSION PROJECT IN CLARK, MADISON,	)
AND GARRARD COUNTIES, KENTUCKY	)

) **CASE NO**  
) **2006-00463**

AMENDMENT TO APPLICATION

The Applicant, East Kentucky Power Cooperative, Inc., hereby amends Exhibits 8.01 through 8.06 and 9.1 through 9.2 to its Original Application filed herein on May 22, 2007, by superceding such exhibits with Exhibits 8.01 through 8.06 Revised and Exhibits 9.1 and 9.2 Revised as attached hereto.

It is necessary to revise Exhibits 8.01 through 8.06 because it is necessary to increase the centerline to centerline separation on a portion of the co-located sections of the Project from the seventy-five (75) feet as depicted on the original Exhibits 8.01 through 8.06 to as much as one hundred and twenty five (125) feet as shown on Exhibits 8.01 Revised through 8.06 Revised. During the design process it was discovered that due to blow-out calculations, as per the 2007 National Electric Safety Code, RUS, and EKPC Design Standards, the original separation of seventy-five (75) feet was too close in some areas to avoid conductor-to-structure contact during certain high wind conditions. The proposed centerline displayed on the Exhibit 8.01 Revised through Exhibit 8.06

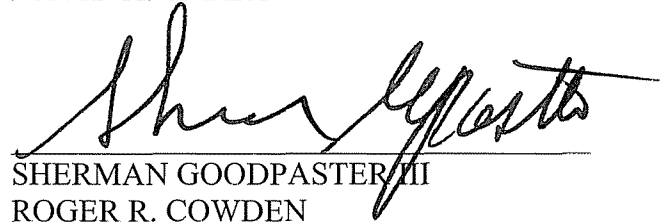

Revised varies in distance, from seventy five (75) to one hundred twenty five (125) feet from the existing centerline in order to meet these safety and design standards. No properties other than those identified on Exhibit 14 to the Original Application were affected.

It is necessary to revise Exhibits 9.1 and 9.2 in order to correct property owner information contained in these Exhibits. The original filing of these exhibits listed Roy Rogers as the owner of Parcel #185. This data was obtained from the Madison County Property Evaluation Office. During the meeting with property owners immediately after the local public hearing held on Thursday, August 2, 2007, EKPC learned that the PVA information is incorrect, and that Janet Whitaker of 905 Tipton Court, Richmond is the actual owner of this tract. It has been confirmed that she is the current owner of Parcel #185 and these two exhibits are being revised to reflect the correct ownership of this tract.

The Applicant hereby adopts, restates and reiterates each and every other paragraph, statement and Exhibit contained in its Original Application.

Respectfully submitted,

DAVID A. SMART
