Atmos Energy

att: Elizabeth O'Donnell

I am writing this letter in reference to a rate increase that I understand is expected in the near future. I urge you to do everything that you can^{to} keep this from happening. I am a senior citizen on a limited income and always pay my monthly bills when they are due but I sincerely feel that an increase in my fuel bill will put a hardship on myself and others like me struggling to make "ends meet."

Thank you for your time and consideration!

A concerned widow
