RE: Case No 2006-00467
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to 807 KAR 5:001:

807 KAR 5:001: Section 10(7)(b) The most recent capital construction budget containing at least the period of time as proposed for any pro forma adjustment for plant additions.

807 KAR 5:001: Section 10(7)(d) The operating budget for each month of the period encompassing the pro forma adjustments

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of this letter. If you need further assistance, please contact Scott Lawless at 502/564-3940 ext. 239.

Sincerely,

Mike Burford
