RE: Case No. 2006-00474

Christian County Water District has completed its wholesale refunding as ordered on November 28, 2006. This refunding was completed in the following manner:

Month Billed	Customer Billed	Gallons Sold	Amount Refunded
December	5222	23,879,463	\$ 72,354.78
January	5218	25,074,493	\$ 120,178.22

This two-month refund generated a total refund to our customers of \$ 192,533. Each customer's bill was reduced by \$3.03 per thousand gallons the first month of the refund, and by \$4.79 per thousand gallons the second month of this refund. This increase in the refund amount for the second month was necessary due to the lower water consumption which traditionally occurs during these two wet season winter months.

Respectfully submitted,

James Owen
General Manager
