Dear Ms. Stumbo:

RE: PSC Case No. 2006-00487

During a recent review of our tariffs, it was discovered a rate change that was effective April 1, 2007 for the demand charge wasn't reflected in the tariff for General Service – Rate 1 and Optional TOD Demand – Rate 22. Members were being billed properly according to the order, but the tariff was stated incorrectly.

Enclosed are an original and ten (10) copies for your review. Should you have any questions or need further information, please contact our office.

Sincerely,

Debbie Martin
President & CEO
