NOVEMBER 1, 2004 THROUGH)
OCTOBER 31, 2006)

**MOTION OF KENTUCKY UTILITIES COMPANY
TO MODIFY PROCEDURAL SCHEDULE**

Kentucky Utilities Company (“KU”) hereby moves the Public Service Commission (“Commission”) to modify the procedural schedule in this proceeding in the manner set out below to afford KU the opportunity to issue data requests concerning, and rebuttal testimony to, the testimony that Intervenor Kentucky Industrial Utility Customers, Inc. (“KIUC”), has stated it will file in this proceeding. Allowing time for additional discovery and rebuttal testimony will also require rescheduling the hearing date in this proceeding, currently scheduled for March 14, 2007. The requested modification is necessary because KIUC has stated it intends to file testimony by March 9, after the last day for KU to file the required hearing notice. Keeping the current procedural schedule while allowing KIUC to file testimony as late as March 9 would effectively preclude KU from having the opportunity to have discovery of the testimony or rebut it if KU determines to do so. Therefore, KU respectfully moves the Commission to modify the procedural schedule of this proceeding as follows (regular type indicates dates already in the procedural schedule that KU does not propose to change; italic type indicates new or changed dates):

- | | |
|------------------------------|------------------------------------|
| Thursday, February 8, 2007 | Data requests to KU are due |
| Friday, February 23, 2007 | Data responses of KU are due |
| <i>Friday, March 9, 2007</i> | <i>Intervenor testimony is due</i> |

Thursday, March 22, 2007 *Data requests to Intervenors are due*
Friday, April 6, 2007 *Intervenor data responses are due*
Thursday, April 19, 2007 *Rebuttal testimony by KU is due;*
last day for KU to publish notice of hearing
Thursday, April 26, 2007 *Hearing at the Commission*

WHEREFORE, KU respectfully moves the Commission to enter an order modifying the procedural schedule in this proceeding as set out above to afford KU the opportunity to issue data requests concerning, and rebuttal testimony to, the testimony that KIUC has stated it will file in this proceeding.
