O R D E R

On December 18, 2006, the Commission opened the 2-year fuel adjustment clause ("FAC") review cases for Kentucky Utilities Company ("KU") and Louisville Gas and Electric Company ("LG&E") (collectively "Companies") for the period from November 1, 2004 through October 31, 2006.¹ The Commission adopted the procedural schedule set forth in Appendix B of that Order. Both the Attorney General of the Commonwealth of Kentucky and the Kentucky Industrial Utility Customers, Inc. ("KIUC") were granted intervention.

In its January 24, 2007 letter, KIUC served notice that it intends to file testimony and requested that the Commission allow intervenor testimony to be filed 14 days

¹ Case No. 2006-00509, An Examination of the Fuel Adjustment Clause of Kentucky Utilities Company from November 1, 2004 Through October 31, 2006, Order dated December 18, 2006.

Case No. 2006-00510, An Examination of the Fuel Adjustment Clause of Louisville Gas and Electric Company from November 1, 2004 Through October 31, 2006, Order dated December 18, 2006.

after filing of the Companies' responses to interrogatories and data requests. On February 1, 2007, the Companies filed motions to modify the procedural schedule to afford the opportunity to issue data requests concerning, and rebuttal testimony to, the testimony that KIUC has stated it will file in this proceeding. The Companies also proposed a revised procedural schedule which includes a suggested hearing date of Thursday, April 26, 2007.

The Commission finds that:

1. KIUC's request to allow intervenor testimony to be due 14 days after the filing of the Companies' responses to interrogatories and data requests is reasonable and should be granted.

2. The Companies' motion to modify the procedural schedule set forth in the Commission's December 18, 2006 Order is reasonable and should be granted as requested.

IT IS THEREFORE ORDERED that:

1. KIUC's motion to allow intervenor testimony to be due 14 days after the filing of KU and LG&E's responses to interrogatories and data requests is granted.

2. KU and LG&E's motion to modify the procedural schedule set forth in the Commission's December 18, 2006 Order is granted.

3. The revised procedural schedule set forth in Appendix A, attached hereto and incorporated herein, supersedes the schedule previously established and shall be followed in this proceeding.

4. KU and LG&E shall notify customers in writing of the revised date, time, place, and purpose of the hearing or shall publish the notice in accordance with Administrative Regulation 807 KAR 5:011, Section 8(5).

Done at Frankfort, Kentucky, this 14th day of February, 2007.
