(Telephone Number)

- 1.a. Name of all wholesale suppliers and the base (current) rate and changed rate of each. In the event the water purchased is billed by the supplier on a rate that is not a flat rate schedule, the entire rate shedule must be shown. Attach additional sheets if necessary.

<u>Supplier(s)</u>	<u>Base Rate</u>	<u>Changed Rate</u>
<u>Ashland</u>	<u>1.32</u>	<u>1.43</u>
<u>Big Sandy</u>	<u>1.64</u>	<u>1.64</u>
<u> </u>	<u> </u>	<u> </u>

- 1.b. A copy of the supplier's notice of the changed rate showing the effective date of the increase is attached as Exhibit 1.
2. Twelve-month period upon which the purchased water adjustment is based. (This twelve-month period must end within 90 days of this filing).

From October 2005 through September 2006
 (month and year) (month and year)

3. Statement of water purchases. Where water is purchased from more than one supplier, purchases from each supplier must be shown separately. If water is purchased through a declining block rate schedule, purchases for each month must be shown. Attach an additional sheet if necessary.

Supplier(s)	Gallons Purchased during 12 month period
<u>City of Ashland</u>	<u>395,491,000</u>
<u>Big Sandy Water Dist.</u>	<u>1,887,300</u>
<u>TOTAL PURCHASES</u>	<u>397,378,300</u>

4. Total sales for the 12 month period 266,703,900.

5. Increased water cost 43,504.

The increased water cost is the cost difference between purchases at base (current rate) and purchases at new rate.

6. Purchased water adjustment factor .11.

The purchased water adjustment factor is obtained by dividing the increased cost of water by the total gallons sold.

Note: The purchased water adjustment factor is added to each thousand gallons sold. If the minimum usage is 2,000 gallons then the purchased water adjustment factor would be added to the minimum bill twice. Revised tariff sheets must be attached showing the rate to be charged by the utility and the effective date of the increased rates.

7. Proposed effective date January 1, 2007.

Bio Walter
(Signature of Utility Officer)

ORDINANCE NO. 143, 2005

AN ORDINANCE OF THE CITY OF ASHLAND, KENTUCKY, AUTHORIZING AND DIRECTING STEPHEN E. GILMORE, MAYOR, TO EXECUTE AN AGREEMENT BETWEEN THE CITY OF ASHLAND AND CANNONSBURG WATER DISTRICT TO FURNISH POTABLE WATER FOR DISTRIBUTION AND SALE WITHIN ITS WATER DISTRIBUTION SYSTEM BOUNDARIES AND REPEALING ORDINANCE NO. 142, SERIES OF 1988, ORDINANCE NO. 42, 1989, AND ANY AND ALL OTHER ORDINANCES IN CONFLICT HEREWITH.

BE IT ORDAINED BY THE CITY OF ASHLAND, KENTUCKY:

SECTION 1. That Stephen E. Gilmore, Mayor of the City of Ashland, Kentucky, is hereby authorized and directed to execute an Agreement between the City of Ashland and Cannonsburg Water District for the furnishing of potable water for distribution and sale within Cannonsburg Water District distribution system boundaries. A true copy of said agreement is attached hereto and made a part hereof by reference.

SECTION 2. Ordinance No. 142, Series of 1988; Ordinance No. 42, Series of 1989, and any and all other ordinances and parts of ordinances in conflict herewith, to the extent of such conflict only, are hereby repealed. Ordinance No. 27, Series of 2001, regarding an agreement between the City of Ashland, Kentucky, Cannonsburg Water District and the Northeast Kentucky Regional Industrial Authority is NOT repealed.

SECTION 3. This ordinance shall be in full force and effect from and after its adoption, readoption and publication, as required by law.

SECTION 4. It is hereby authorized that publication of this ordinance be in summary form.

REQUESTED/SPONSORED BY: WILLIAM H. FISHER, JR., CITY MANAGER
ORDINANCE Agreement Cannonsburg Water District

AGREEMENT

THIS AGREEMENT, made and entered into this the 5th day of Oct., 2005, by and between the CITY OF ASHLAND, Boyd County, Kentucky, a municipal corporation of the second class under the laws of the Commonwealth of Kentucky, (hereafter "ASHLAND"), and the Cannonsburg Water District, an independent water district created under the laws of the Commonwealth of Kentucky, (hereafter "CANNONSBURG"),

WITNESSETH:

WHEREAS, ASHLAND, is the owner and operator of a municipally owned water works plant and water distribution system, and is able, to furnish CANNONSBURG potable water for distribution and sale within its water distribution system boundaries as exist on the date of this Agreement or any agreed upon extension of said boundaries, and

WHEREAS, CANNONSBURG has an existing Agreement with ASHLAND dated April 04, 1989, for the purchase of water for distribution and sale through CANNONSBURG'S system within its existing boundaries;

NOW, THEREFORE, it is mutually agreed and covenanted by and between the parties that ASHLAND agrees to sell and CANNONSBURG agrees to buy potable water for and in consideration of the payment of the rates hereinafter established and set out to be paid to ASHLAND by CANNONSBURG, and each and all of the further and additional mutual covenants and agreements hereinafter set out to be performed by both or either of said parties;

1. **BOUNDARIES.** The water supply furnished by ASHLAND to CANNONSBURG shall be restricted to usage by CANNONSBURG only as follows:

In the area west and north of a line extending from the Ohio River along the Boyd/Greenup County line to its intersection with the Cannonsburg Water District boundary as shown on the attached map, both Ashland and Cannonsburg may extend water lines upon written notification to the other party.

North and east of the line extending from the intersection of the Boyd/Greenup County line with the Cannonsburg Water District boundary and extending along the northern boundary line of the Cannonsburg Water District to its intersection with U.S. 23

and extending further along the Cannonsburg Water District line where the Cannonsburg Water District line is contiguous to U.S. 23 as shown on the attached map; Cannonsburg shall not extend its lines without written prior approval of the City of Ashland.

In those areas belonging to the Northeast Kentucky Regional Industrial authority, commonly known as the Industrial Park, Cannonsburg shall not extend its lines without written prior approval of the City of Ashland.

All of the areas above, as set forth on the map attached hereto and made a part hereof, marked Exhibit "A" for identification.

2. QUANTITY. CANNONSBURG agrees and binds itself to purchase during the term of this Agreement, all of the potable water required by CANNONSBURG (subject to Section 9 dealing with "shortage") for distribution within its present water distribution system, or any approved extensions within the boundaries, but not less than 600,000 gallons per day nor more than 2,700,000 gallons per day. If for any reason, ASHLAND is unable to provide 600,000, CANNONSBURG shall not be required to purchase the minimum daily amount.

It is understood at the present CANNONSBURG is purchasing no more than 750,000 gallons per month from the Big Sandy Water District for serving customers in Briarwood Estates. CANNONSBURG agrees it shall not purchase water in excess of that amount from the Big Sandy Water District nor shall it purchase water from any other source. CANNONSBURG shall restrict water so purchased to the use of the customers in Briarwood Estates and not expand that service. There is no restriction on the resale of water by CANNONSBURG to the Big Sandy Water District as long as the Big Sandy Water District does not extend service into the area reserved to ASHLAND.

The water shall be taken by CANNONSBURG through a meter or meters located at or adjacent to U.S. Highway 60 at Summit near Summit Road intersection, and through a meter or meters located along Ky. Route 5 near the east fork of the Little Sandy River or at such other places as may be mutually agreed upon in advance in writing between the parties.

3. RATES AND BILLING. CANNONSBURG agrees and binds itself to pay for water at rates sold and delivered to it at the meter or meters on a monthly basis and according to statements tendered to CANNONSBURG by ASHLAND, payments to

be due and payable not later than the twentieth (20th) day of each month for all water so metered, sold and delivered during the preceding month. In the event CANNONSBURG shall fail to pay any monthly statement or statements in the manner described, then and in that event, there shall be added a penalty of 8 percent (8%) on such amount due and unpaid, together with six percent (6%) interest per annum thereon from due date until paid, and upon the failure of CANNONSBURG to pay said monthly water bills for two (2) consecutive months, then ASHLAND shall have the right and option to discontinue furnishing of said water until said past due bills are paid in full.

In the event a water meter has registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by ASHLAND for the purpose of billing CANNONSBURG. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings including some obtained after the period of incorrect registration may be used.

CANNONSBURG agrees and binds itself to purchase all potable water (except that amount purchased from the Big Sandy Water District as outlined in paragraph 2) that may be required by CANNONSBURG, but not less than 600,000 gallons per day or more than 2,700,000 gallons per day at prices, as follows:

Currently	\$1.20 per one thousand (1000) gallons
Effective January 01, 2006	\$1.32 per one thousand (1000) gallons
Effective January 01, 2007	\$1.43 per one thousand (1000) gallons

It is mutually agreed that the term of this Agreement is such that the passage of time will require increases in the rates to be made for water hereunder. It is agreed that bulk water rates charged to CANNONSBURG shall not exceed rates to other out-of-town bulk water customers. It is further understood that percentage rate increases similar to those shown in this agreement have been approved for other bulk water rate customers and all City of Ashland direct customers.

ASHLAND may modify the schedule of rates for water hereunder from time to time outside the rates agreed upon herein, provided that:

- a. ASHLAND prior to consideration of an increase in rates may have a rate study conducted by an independent engineer chosen by ASHLAND, which rate study may provide the basis for any modification of the schedule of rates. Such rate study shall not be conducted more frequently than annually. ASHLAND shall give CANNONSBURG prior notice of its intent to perform such study. CANNONSBURG may, at its option and cost, provide ASHLAND with a rate study conducted by an engineer chosen by CANNONSBURG. ASHLAND will cooperate with such engineer, and the study, when completed, shall be submitted to ASHLAND for consideration. CANNONSBURG may provide ASHLAND other information it desires ASHLAND to consider in rate adjustment. ASHLAND agrees to meet with CANNONSBURG and discuss the rate study or studies at CANNONSBURG'S request.
 - b. Following completion of the rate study by the independent engineer chosen by ASHLAND and based upon any additional considerations and information deemed appropriate, ASHLAND shall notify CANNONSBURG of the proposed rate. However, no modification shall become effective earlier than one hundred eighty (180) days after the increase shall be adopted by ASHLAND, and ASHLAND shall give notice to CANNONSBURG of such increase immediately after such increase shall have been adopted by ASHLAND. ASHLAND shall reasonably provide CANNONSBURG information which would assist CANNONSBURG in any presentation or application required with the Kentucky Public Service Commission for approval of proposed rates.
4. **METER PIT AND ACCESSORIES.** CANNONSBURG shall, at its cost, provide and install a meter pit (s), check valves and accessories to ASHLAND'S specifications. Upon installation and acceptance by ASHLAND such equipment shall become the property of ASHLAND, and shall thereafter be maintained by ASHLAND.
 5. **BOOSTER PUMPS.** CANNONSBURG shall have the right to install booster pumps at its own cost within its lines in order to accelerate and increase the flow

of water through the lines of CANNONSBURG to its customers, if and when it is deemed by the said District necessary or reasonable so to do. No booster pumps shall be installed by CANNONSBURG that creates a drop in pressure below forty-five (45) pounds per square inch on the suction side of the booster pumps, at an elevation of 700 feet above mean sea level.

6. MAINTENANCE, LIABILITY, HOLD HARMLESS. During the term of this Agreement, CANNONSBURG shall, at its own expense, maintain the water main distribution system of CANNONSBURG and, any agreed upon extension, and make all necessary repairs to said system. Nothing contained herein, however, shall be construed to hold ASHLAND liable for lack of adequate water supply and pressure within the CANNONSBURG District due to any inadequacy on the part of the distribution system of CANNONSBURG, nor due to any inadequacy of the water supply or distribution system of ASHLAND. ASHLAND shall not be responsible in damages for interruption or failure to supply water to CANNONSBURG and shall be saved and held harmless from all damage of any kind, nature and description which may arise as a result of making this Agreement and furnishing water hereunder.

ASHLAND bears no degree of responsibility for the water quality at any point beyond the meter delivery point. CANNONSBURG bears the responsibility for maintaining the water quality at any point beyond the meter and within its distribution system.

7. WATER SHORTAGE. In the event of a water shortage suffered by ASHLAND, all of the cities, water districts, corporations, or other entities purchasing water from ASHLAND on a bulk agreement basis shall share in the shortage on a proportionate basis to their average daily usage. ASHLAND shall make every good faith effort to meet emergency needs of its bulk customers during such shortage by taking reasonable and responsible administrative action within the City and shall request such action be taken outside the City.

8. TEMPORARY SHUT OFF. It is further agreed that ASHLAND shall have the right to temporarily shut off the water supply of CANNONSBURG or any part thereof whenever alterations, additions or maintenance operations make it necessary. ASHLAND shall give CANNONSBURG reasonable notice and probable duration of

such shutoffs, except that in case of serious break or accident water service may be discontinued without notice. Under no circumstances will ASHLAND be held liable or responsible for any damage that may result to CANNONSBURG or its customers due to any necessary discontinuance of water service.

9. SUCCESSORS OR ASSIGNS. In the event of an occurrence rendering CANNONSBURG incapable of performing under this Agreement, any successor of CANNONSBURG, qualified under Kentucky law, shall succeed to the rights and duties of CANNONSBURG under this Agreement subject to the prior written approval of ASHLAND. Otherwise, without the prior written approval of ASHLAND this Agreement may not be assigned or transferred.

10. COURT ACTION. The parties reserve the right, either in law or equity, by suit, mandamus or other proceeding, to enforce or compel performance of any or all covenants contained, or for interpretation of the rights of the parties under this Agreement. Further, the parties acknowledge that any dispute between the parties shall be resolved in the state courts of the Commonwealth of Kentucky, including appellate levels of the court system.

11. TERM. It is mutually agreed that the term of this Agreement shall be forty (40) years from April 04, 1989 .Any extension beyond twenty-four months shall require approval by ASHLAND which shall not be unreasonably withheld.

12. AMENDMENT. No officer, official or agent of either party has the power to amend, modify or alter this Agreement, waive any of its conditions or bind ASHLAND or CANNONSBURG by making any promise or representation not contained herein. Any amendment must be agreed to in writing by the parties.

13. REPEAL. All prior agreements and amendments thereto between the parties, including the April 04, 1989 agreement are hereby repealed, except the December 27, 2000 agreement, as approved by the City of Ashland in Ordinance No. 27, 2001, involving the Northeast Kentucky Regional Industrial Authority, Cannonsburg Water District, and the City of Ashland.

IN WITNESS WHEREOF OF WHICH, the City of Ashland, Kentucky, has caused its Corporate Name to be hereunto subscribed by its Mayor, attested by its City Clerk and its Corporate Seal to be hereunto affixed; and the Cannonsburg Water District,

has caused its name to be hereunto subscribed by its Chairman, attested by its Secretary/Treasurer, and its Corporate Seal to be hereunto affixed; all in quadruplicate identical copies, on the day and year first above written.
