RE: Case No. 2006-00535
Case Dismissal

On December 18, 2006, the Commission received your response to the filing deficiencies in the above named case. That filing, however, did not cure the deficiencies and on December 21, 2006 the Commission issued a letter requesting the needed information to be filed. That information was never received.

However, it appears that similar information as that requested was included in the recent filing of case No. 2007-00070 and will be processed in that application. Therefore this application will be dismissed.

Sincerely,

A handwritten signature in cursive script that reads "Michael F. Burford".
