Re: Kenergy Corp.
Tariff revision

Dear Ms. O'Donnell:

Case No. 2006-00554

Kenergy requests Commission approval of revision of tariff Schedule 92-Distribution Line Extensions to Mobile Homes. The proposed revision is beneficial to customers because it increases the length of a line extension that shall be made without charge. The proposed revision also clarifies refund eligibility. Enclosed please find four (4) sheets showing the existing tariff with deletions and additions and four (4) signed originals of the revised tariff sheet.

The proposed date for this revision to become effective is December 1, 2006. Thus, we request that the notice period be shortened to 20 days, as permitted under KRS 278.180(1).

If the Commission deems that an application is proper for this filing, Kenergy requests that this letter be accepted as an application. Further, Kenergy requests that the Commission permit deviations from requirements of other applicable rules so that this filing may be accepted and the tariff revision approved.

Your assistance in this matter is appreciated.

Very truly yours,

DORSEY, KING, GRAY, NORMENT & HOPGOOD
