To Whom It may Concern:

We recently received the Public Notice of the Bluegrass Cellular to construct a new cell tower next to our house on Highway 1590 in Clinton County. We noticed from the attached map that the 500' Radius Map shows it being toward the south end of our house while the tower is on the north end. It was our understanding from the survey team we should be more than 500 feet from the tower.

Thank you for this consideration.

Sincerely,

Dudley P. Hay
