COMMISSION**

Chairman Mark David Goss
Commonwealth of Kentucky
Public Service Commission

Frankfort, KY 40602-0615

Dear Chairman Goss:

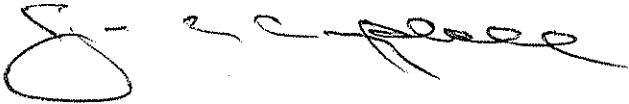

This letter is to petition the Public Service Commission to appoint Don Robertson of Lyon County to another term on the Lyon County Water District under the provisions of KRS 74.020(4). Mr. Robertson's appointment to the Lyon County Water District expired on October 1, 2006. He was nominated for reappointment by the Lyon County Judge Executive at the fiscal court meeting on December 13, 2006. The fiscal court chose not to ratify the appointment.

Mr. Robertson has served as Commissioner & Chairman for the Lyon County Water District since 1979. Mr. Robertson's experience and service on the Water District board has led to the Water District providing service to 100% of the residents in Lyon County. Under his leadership, the water district has begun a program of providing wastewater service to rural citizens of Lyon County. The first wastewater project should be bid in the next couple of months. In my opinion, it is very important to the continuity of the wastewater program that Mr. Robertson be allowed to continue his role as Water District Commissioner. Now is not the time to make a change.

The other two appointed Commissioners of the water district also support the reappointment of Don Robertson as evidenced by the attached resolution from the water district.

I hope that you agree that reappointing Don Robertson as a Commissioner to the Lyon County Water District is very important to the county at this time. If I can provide any additional information in support of the appointment, please do not hesitate to contact me.

Sincerely,

RESOLUTION**

- Whereas Don Robertson's term as Commissioner on the Lyon County Water District expired on October 1, 2006 and;
- Whereas Don Robertson has served with distinction on the Lyon County Water District Board of Commissioners since 1979 with most of that time spent as Chairman and;
- Whereas Lyon County Water District has seen exceptional growth under the leadership of Robertson, with Lyon County being among the first counties in Kentucky to have public water to all of its citizens and;
- Whereas Former Judge-Executive Sara Boyd formally nominated Don Robertson for another term and the Fiscal Court failed to ratify her appointment at the December, 2006 Fiscal Court meeting and;
- Whereas Newly elected Judge-Executive Jimmy Campbell desires for Don Robertson to continue as a Water District Commissioner and;
- Whereas It is the understanding of the Lyon County Water District Board of Commissioners that the decision on this appointment will now be made by the Kentucky Public Service Commission.

NOW THEREFORE BE IT RESOLVED THAT:

The Lyon County Water District hereby recommends to the Kentucky Public Service Commission that Don Robertson be appointed to serve another four year term on the Lyon County Water District Board of Commissioners.
