Dear Commissioner Beth O'Donnell:

In regard to Case Number 2007-00043 and a letter dated February 15, 2007, please use this letter as a request for an informal conference. As stated in number 6, an informal conference with Commission Staff would aid in the handling and disposition against Elam Utility and Wilma Ison. I will be available to meet with staff any time the week of March 19-22. It is my desire to clear this matter up as quickly as possible.

Number 4 of the Order stated that I had not paid the balance of the civil penalty of \$5,500. That amount has been paid and a receipt of that payment is enclosed herewith.

In September I had knee surgery and got behind in the books while I had to be off from work. Then my daughter was running for District Judge in the November election and I was helping her with the campaign. I realize that is not a good excuse but I really was so busy I didn't notice that I was that far behind.

Also, when the Commission letter was received in February, I was out of the office because my daughter in law had surgery Feb 21, and my daughter had surgery Feb 22. So I was gone that entire week. The letter was laid to the side and I didn't know it was here until after the first of March.

Understanding that this is not the first time I have asked for an informal conference, I just ask the Commission to take life into account and know that no matter how good our intentions are.....at times things just don't always happen that way, and I

take full responsibility. If an informal conference can be arranged, I will make sure to have all copies of the bank statements and general ledger transactions sent to the Commission Staff before that time. I also understand that a GCR will need to be filed this month in order to have it become effective by April 1.

Once again I thank you for your patience and look forward to hearing from you concerning this matter. If you have any questions, or comments, please call the number listed above.

Sincerely,

Wilma B. Ison as President of
ELAM UTILITY COMPANY

Re: Case No. 2007-00043

Dear Ms. Ison:

The Commission acknowledges receipt of your letter dated February 20, 2007 and the suspended penalty in the amount of \$5,500. Your letter will be filed in the record of the above-numbered case.

In your letter, you did not mention filing general ledger sheets and bank statements for Elam Utility Company pursuant to the Commission's Order. You should file with the Commission a written explanation for your failure to provide the required general ledger sheets and bank statements. If you wish to discuss this matter with Commission Staff, please file a written request to schedule an informal conference.

Sincerely,

James R. Goff
Staff Attorney
